### PREVENT SCAMS WITH CPOECU

Beware - scammers are getting more creative with stealing account information. Using email or text messages to steal passwords, account numbers and social security numbers are just a few ways scammers look to gain access - and if successful - they have the ability to transfer funds from your account through various products.

**Here are some important tips to help keep you and your finances safe from fraudsters:**

- Remember - NEVER provide personal or financial information in response to an unsolicited call or email.
- Always use a secure network and shop on legitimate websites.
- Never attempt to contact CPOECU through any unusual number you received through email, text, or other unsolicited means. Contact our main branch at 773-881-2500, also listed on our website at [www.cpoecu.com](http://www.cpoecu.com).
- NEVER share your online or mobile banking passwords, nor your credit/debit card PIN with anyone who is not authorized to access your account.
- Never click on links in unsolicited emails or texts.

If someone contacts you and requests your account details by phone, do not share any information and hang up immediately. Likewise, if you receive an email, website pop-up, or text with a suspicious link - stop and think before you click. If in doubt, call CPOECU directly at 773-881-2500.
